ABOUT

The Macedonian newspaper „Ilinden” started to print in February 2011 in Tirana, Albania. It is the newspaper of Macedonian association "Ilinden" Tirana and the only newspaper of the Macedonians in Albania that comes out in printed version and the electronic version.

The Macedonian newspaper „Ilinden” will generate and transmit information in Macedonian language. This Macedonian newspaper „Ilinden” is a source of information for any electronic media, TV channels, portals, agencies, institutions and companies. The main point is to have fast, timely and accurate information about developments in Macedonia, Albania, Balkans, Europe and the World.

It will publish news about Macedonians in Albania, Balkan and in the world, political news, economic news, cultural news, sports news, magazine interviews. We are striving to meet the highest standards of objective, investigative, analytical journalism, media independence, objective presentation of information and their sources, as well as quality and creativity when creating news.
